NEVI RFP Information

Good evening,

I am an intern for ThinkJet Strategies, a political consulting firm working with Electrify America on their NEVI deployment efforts. I am currently tracking RFP's for their team, and I saw that California has an RFP upcoming in Q4 2022/Q1 2023. I haven't been able to find any more information on submission details online, and was wondering if your team could send me over any details you have so I can relay it to Electrify America. Anything would be greatly appreciated.

All the best,
Alex Davies-Morris
