PROVIDING ENERGY. IMPROVING LIVES.

November 18, 2022

Honorable David Hochschild, Chair  
California Energy Commission  
715 P Street  
Sacramento, CA 95814

**RE: Informational Hearing on California Gasoline Price Spikes, Refinery Operations and  
Transitioning to a Clean Transportation Fuels Future**

Dear Chair Hochschild:

Thank you for reaching out to invite Phillips 66 to participate in the November 29<sup>th</sup> informational hearing regarding transportation fuels and refinery operations. We appreciate the fact that the Commission recognizes that industry may have information-sharing constraints imposed by federal and state antitrust laws. Because of these constraints, we believe it would be more appropriate to have the industry trade association, Western States Petroleum Association (WSPA), participate on our behalf.

As such, we would ask that you contact Cathy Reheis-Boyd, President of WSPA, to request that she attend the hearing and testify on the industry's behalf.

Sincerely,
