## **Gas Tax**

You gotta be kidding! You would even consider letting Newsom discuss raising taxes that would ultimately be passed on to me! You must have a company gas card. Do you realize that us working folks have to afford to get to work before we can pay our taxes. Diesel is \$6.60 per gallon in my town. Do you realize that the trucks that deliver our groceries run on diesel (the cheapest to produce by the way) and their costs will be passed on to me too. Don't rubber stamp this nonsense stand up and as with all other drugs,"Just say NO!"
