Reject New Corporate Tax On California Oil Companies!

Dear Governor Newsom,

Any effort to increase corporate taxes on oil companies to punish them for meeting our state's increased demand for gasoline because will be a disaster for California consumers because oil companies will just pass along the cost to consumers!
COMPANIES DO NOT PAY TAXES--THEY ARE PASSED ON TO CONSUMERS WHO PAY THEM! Tell President Biden to open the XL/Keystone pipeline and allow drilling on federal lands. That will increase the supply and reduce supply-demand disparities which increase the cost of gasoline to consumers.
