## **Concerns on Gasoline Prices**

I would like to know what this meeting is about, and if it will concern additional taxes on gasoline. I do not know why you would hold a meeting on this topic unless you have a means of reducing prices. This is especially difficult on senior citizens. I am not personally affected, as I have a vehicle with good gasoline mileage. I am also concerned of the effect on the middle class and less wealthy citizens of California. I imagine they are unable to fill their tanks anymore.
