CEC-70 (Revised 7/22)

**IN THE MATTER OF:**

*Data Collection from Non-Utility PACE
Programs according to California Code
of Regulations, title 20, section 1312*

DOCKET NO. 22-DATA-01
NOTICE OF REMOTE ACCESS WEBINAR
RE: Forms and Instructions for Submitting
Non-Utility PACE Data

Notice of Staff Webinar on Forms and Instructions to Submit Non-Utility Property Assessed Clean Energy (PACE) Data

December 19, 2022

2:30 p.m. – 4:00 p.m.

Remote Access Only

The California Energy Commission (CEC) will host a webinar to review the data collection requirements according to California Code of Regulations, title 20, section 1312. This data collected contributes to the CEC's staff analyses for the *Energy Efficiency Action Plan* and Senate Bill 350 – the Clean Energy and Pollution and Reduction Act (De León, Chapter 547, statutes of 2015) tracking progress reports.

The public can participate in the webinar consistent with the attendance instructions below. The CEC aims to begin promptly at the start time posted and the end time is an estimate based on the proposed agenda. The webinar may end sooner or later than the posted end time.

Agenda

CEC staff will present the form for non-utility PACE program administrators to submit data, along with a comprehensive review of the annual reporting instructions. Staff encourages PACE program administrators to review the forms and instructions beforehand and ask clarifying questions during the presentation.

Background

Property Assessed Clean Energy (PACE) is a financing program that enables residential and non-residential property owners to pay for energy efficiency and renewable energy improvements on their property. PACE financing relies on the existing framework of residential property taxes by allowing property owners to repay the entire financing for a project through a special PACE assessment made on their property. Some of the energy efficient measures property owners

can install include building insulation, HVAC, envelope improvements, windows, and lighting controls and some of the renewable energy improvements include rooftop photovoltaic and battery storage.

The CEC is directed by California Code of Regulations, title 20, section 1312 to annually collect PACE-financed project data from PACE program administrators. This data will provide the CEC with information that allows CEC staff to conduct evaluations of energy efficiency savings from PACE programs operating in California. It will also enable CEC staff to track progress and prepare projections towards meeting energy efficiency targets under the State's SB 350 goal of doubling energy efficiency savings by 2030.

Attendance Instructions

Remote participants may join via Zoom by internet or phone.

- **To join via Zoom.** Click on <https://energy.zoom.us/j/89162461007?pwd=aFdObjk1cHpYcmRYUDJaT216RGtrUT09> or login in at <https://zoom.us/> and enter the **Webinar ID 891 6246 1007** and **passcode 734197** and follow all prompts.
- **To join by telephone.** Call toll-free at (888) 475-4499 or toll at (669) 219-2599. When prompted, enter the Webinar ID 891 6246 1007 and passcode 734197.

Zoom Closed Captioning Service. At the bottom of the screen, click the Live Transcript CC icon and choose "Show Subtitle" or "View Full Transcript" from the pop-up menu. To stop closed captioning, close the "Live Transcript" or select "Hide Subtitle" from the pop-up menu. If joining by phone, closed captioning is automatic and cannot be turned off. While closed captioning is available in real-time, it can include errors. A more accurate transcript of the workshop will be docketed and posted as soon as possible after the meeting concludes.

Zoom Difficulty. Contact Zoom at (888) 799-9666 ext. 2, or the CEC Public Advisor at publicadvisor@energy.ca.gov, or by phone at (916) 957-7910.

Public Comment.

The CEC encourages the use of its electronic commenting system. Visit the [e-commenting page](#) for this docket number **22-DATA-01**, at

<https://efiling.energy.ca.gov/EComment/EComment.aspx?docketnumber=22-DATA-01>. Enter your contact information and a subject title that describes your comment. Comments may be included in the "Comment Text" box or attached as a downloadable, searchable document in Microsoft® Word or Adobe® Acrobat®. The maximum file size allowed is 10 MB.

Oral comments will be accepted at the end of the workshop. Comments may be limited to three minutes or less per speaker and one person per organization. To comment via Zoom, use the "raise hand" feature so the administrator can announce your name and unmute you. To comment via telephone, press *9 to "raise your hand" and *6 to mute/unmute.

Written comments may be submitted to the Docket Unit by 5:00 p.m. on January 5, 2023.

Written and oral comments, attachments, and associated contact information (including address, phone number, and email address) will become part of the public record of this proceeding with access available via any internet search engine. Written comments may also be submitted by email. Include docket number **22-DATA-01** and **Energy Efficiency Program Data Collection from Non-Utility PACE Programs – Annual Reporting** in the subject line and email to docket@energy.ca.gov.
