COMMUNITIES IN CHARGE

'How to Apply' Workshop

The Communities in Charge Project team is excited to announce
the 'How to Apply' public workshop!

[Communities in Charge](#) is California's market-accelerating, light-duty electric vehicle (EV) charging incentive project funded by the California Energy Commission's Clean Transportation Program, implemented by CALSTART, and supported in partnership with GRID Alternatives and Tetra Tech. Communities in Charge is designed to transform EV accessibility, rapidly catalyze new markets, and swiftly deploy Level 2 EV charging stations.

During the workshop we will cover the following topics:

- An introduction to Communities in Charge
- Incentive project outline
- Funding amounts and timelines
- How to submit information and request funding
- How to stay connected with Communities in Charge

The workshop will take place on:

January 31, 2023

10:00 AM – 1:00 PM

Pre-registration is required, please register [here](#)
