BUSMTG-2023-01 The law never requires impossibilities, rulemaking petition, re written and oral comments by the public

BUSMTG-2023-01 The law never requires impossibilities, rulemaking petition, re: written and oral comments by the public

When commission staff submit documents in any proceeding after three days before the commission meeting, it is impossible for the public to file comments at least three days before the commission meeting.

When the commission chair requires the public to comment on "information agenda items" after the item has received discussion or consideration, it is impossible for the public to directly address the state body on each agenda item before or during the state body's discussion or consideration of the item.

I here by file the attached rulemaking petition to correct these issues.
