# Construction Progress Tracker Training

Get helpful tips for fulfilling the CPT requirement at this free training.

The **Construction Progress Tracker (CPT)** is a user-friendly tool that helps CALeVIP applicants oversee and self-report EVI project progress. The CPT is mandatory for all projects in CALeVIP 2.0, including the [Golden State Priority Project](#). It is also required for [CALeVIP 1.0 projects](#) that receive approved extensions.

The **Construction Progress Tracker Training** will provide detailed instruction for applicants to fulfill this requirement.

During the webinar, you'll learn about:

- Initial sign up
- Using the CPT
- Applicant responsibilities
- CALeVIP project requirements

This training will be the most beneficial for application managers, project managers and anyone who manages CALeVIP project timelines or communications with CALeVIP implementer Center for Sustainable Energy.
