Hello Drew Bohan, Executive Director of the Energy Commission,

Thanks for confirming I filed my rulemaking petition to amend California Code of Regulations (CCR), title 20, section 1222(a) with the state agency known as the California Energy Commission on March 8, 2023, pursuant to GOV 11340.6.

The Energy Commission's Docket Unit had already notified me of this fact, pursuant to GOV 11340.7 and 20 CCR 1201(f).

It appears you received my rulemaking petition I submitted to you through a email on 3/8/2023 at 7:43 PM, where I notified you of the filed rulemaking petition.

I am not requesting a 20 CCR 1221 rulemaking hearing at this time, I only filed a GOV 11340.6 rulemaking petition.

Why are you not certifying my petition as is that you already have, and asking me to re-file?

Your reply is confusing.
