How and Where to file the CEC-1314 Form and the Confidentiality Attestation:

Owners of underground gas storage projects are required to use the CEC's e-filing system to submit Form CEC-1314 and the confidentiality attestation (for information on the confidentiality attestation, please see page 3 of the Instructions for Form CEC-1314 – Underground Gas Storage Data). Please submit the Form CEC-1314 in an Excel Workbook format and the confidentiality attestation in a PDF format. A user's guide to the CEC's e-filing system is posted at <http://www.energy.ca.gov/e-filing/>. Registration is necessary if this is the first time documents are uploaded. After completing registration, log in and select "22-OII-02" from the drop-down menu. Links to the e-filing system are provided on each proceeding's web page under the link Submit e-filing. Once registration is complete, to submit a confidential filing, click Quick Actions on the DASHBOARD and select Submit Confidential e-filing from the dropdown menu. The attestation needs to be uploaded first, followed by the Form CEC-1314. When naming attached files, please include the name of the Storage Field in the filenames. For more information on the Order Instituting Informational Proceeding on Gas Decarbonization (Docket No. 02-OII-02), please go to this link: <https://www.energy.ca.gov/proceedings/energy-commission-proceedings/order-instituting-informational-proceeding-gas>.

Confidentiality Attestation

Information submitted on this form receives automatic confidential designation if an attestation is submitted that includes the following:

- Name of the worksheet and cells that include data that are entitled to be designated confidential
- Shall attest under penalty of perjury that the information submitted has not been previously released
