Dear Sir/Madam,

Please find below our feedback (in blue):

1. What entity, if any, do you represent or are you affiliated with?

[Rayzon Solar Private Limited](#)

2. What is your/your organization's primary use of the Solar Equipment Lists?

[We are enlisting our solar panels for sale in California so this list will help us generate more sales](#)

3. How often do you download or reference the Solar Equipment Lists from the Solar Equipment Lists website at <https://solarequipment.energy.ca.gov/Home/Index>?

a. Less than 1 time per month - [Yes](#)

b. 1 to 3 times per month

c. More than 3 times per month

d. Other - please explain:

4. Please provide information on how the Solar Equipment Lists assist you/your organization with everyday business needs:

i. How do they integrate with your operations? [New customers can find us through this list so it will improve our sales in USA](#)

ii. How would you describe the value of the lists to your efforts? [Helpful](#)

iii. If applicable, approximately how many interconnection applications/permits to operate do you process, on a monthly basis, using the data on the Solar Equipment Lists? [Not Applicable](#)

5. Roughly how much time do you save on a weekly or monthly basis by using the data on the Solar Equipment Lists, as opposed to not having the lists as a reference? [This list is helpful to our customers.](#)

6. Is there a format that would improve the effectiveness of the lists or ability to use them? [Giving an API for accessing this list may be helpful to the EPC companies.](#)

7. Can you substitute the data from the Solar Equipment Lists with another data source? How would your program(s) be impacted without this resource? [Other data source is not known to us](#)

8. As an equipment manufacturer (if applicable), what are the benefits of having your equipment listed on the Solar Equipment Lists? [Enlisting in the Solar Equipment Lists will increase the sales of our solar panels in the USA as new customers can reach us by referencing this list](#)

9. Please share any other feedback you would like us to consider.

[Thanks to CEC for maintaining the Solar Equipment List](#)

Thanking you,

BHARGAV SAVALIYA
