Instructions for Form CEC-1314 – Underground Gas Storage Data

Purpose: Effective January 1, 2022, the California Code of Regulations (CCR), Title 20, Section 1314 requires underground gas storage owners and operators to report storage project information to the California Energy Commission (CEC) on a quarterly basis. This includes the following: information on base gas, working gas, total gas in storage, withdrawal, and injection for each calendar day.

Questions relating to these forms and instructions should be directed to Jason Orta by email at NGU@energy.ca.gov.

Authority: California Code of Regulations, Title 20, Section 1314.

Who must file: Owners of underground gas storage projects.

When to file: Beginning in 2023, the forms must be submitted quarterly by the following dates:

- May 1
- August 1
- November 1
- February 1

If any of the above dates fall on a weekend or holiday, please submit the forms on the first business day afterward.

How and Where to file the Form CEC-1314 and the Confidentiality Attestation:

Owners of underground gas storage projects are required to use the CEC's e-filing system to submit Form CEC-1314 and the confidentiality attestation (for information on the confidentiality attestation, please see page 3 of the Instructions for Form CEC-1314 – Underground Gas Storage Data). Please submit the Form CEC-1314 in an Excel Workbook format and the confidentiality attestation in a PDF format. A user's guide to the CEC's e-filing system is posted at <http://www.energy.ca.gov/e-filing/>.

Registration is necessary if this is the first time documents are uploaded. After completing registration, log in and select "22-OII-02" from the drop-down menu. Links to the e-filing system are provided on each proceeding's web page under the link **Submit e-filing**. Once registration is complete, to submit a confidential filing, click **Quick Actions** on the **DASHBOARD** and select **Submit Confidential e-filing** from the dropdown menu. The attestation needs to be uploaded first, followed by the Form CEC-1314. When naming attached files, please include the name of the Storage Field in the filenames. For more information on the Order Instituting Informational Proceeding on Gas Decarbonization (Docket No. 02-OII-02), please go to this link: <https://www.energy.ca.gov/proceedings/energy-commission-proceedings/order-instituting-informational-proceeding-gas>.

For What Period: The regulations require owners and/or operators of underground gas storage projects to report project information to the CEC on a quarterly basis. This will include the following: information on base gas, working gas, total gas in storage, withdrawal, and injection for each calendar day. The first submittal is due on May 1, 2023, and requires filers to include data for calendar year 2022 and the first quarter of 2023.
