## **Webinar on the Draft Assembly Bill 525 Report: Notice of Staff Workshop on Assembly Bill 525: Ports and Workforce Development to Support Floating Offshore Wind Development**

On May 23, 2023, the California Energy Commission (CEC) held a staff workshop focused on the requirements established in Assembly Bill 525 (AB 525, Chiu, Chapter 231, Statutes of 2021) to address economic and workforce development and identification of port space and infrastructure, and plan to improve waterfront facilities.

Workshop materials can be located on the Workshop Event page, at [Workshop on Assembly Bill 525: Ports and Workforce Development to Support Floating Offshore Wind Development \(ca.gov\)](#). All related AB 525 documents can be found on the CEC's California Offshore Renewable Energy docket, at [California Energy Commission : Docket Log](#) Public comments are due by June 9, 2023.

The morning session focused on seaport development and the afternoon session focused on workforce development.
