Subject: ERRATA: 1) NOTICE OF RECEIPT; 2) REQUEST FOR AGENCY PARTICIPATION LETTER; AND 3) LETTER TO LIBRARIANS

CEC staff hereby submits an errata to the 1) Notice of Receipt (NOR), 2) Request for Agency Participation Letter, and 3) Letter to Librarians for the Morton Bay Geothermal Project (23-AFC-01), the Elmore North Geothermal Project (23-AFC-02), and the Black Rock Geothermal Project (23-AFC-03).

The error in the NOR is in the name of the applicant.

“On April 18, 2023, BHE Renewables, LLC (BHER) (applicant), filed three Applications for Certification (AFCs) with the California Energy Commission (CEC) to construct and operate the Morton Bay Geothermal Project (MBGP), the Elmore North Geothermal Project (ENGP), and the Black Rock Geothermal Project (BRGP) in unincorporated Imperial County at the Salton Sea Known Geothermal Resource Area.”

The following correctly identifies the applicant in the NOR.

On April 18, 2023, Morton Bay Geothermal, LLC (applicant), Elmore North Geothermal, LLC (applicant), and Black Rock Geothermal, LLC (applicant), indirect wholly owned subsidiaries of BHE Renewables, LLC, filed Applications for Certification (AFCs) with the California Energy Commission (CEC) to construct and operate, respectively, the Morton Bay Geothermal Project (MBGP), the Elmore North Geothermal Project (ENGP), and the Black Rock Geothermal Project (BRGP) in unincorporated Imperial County at the Salton Sea Known Geothermal Resource Area.

The error in the Agency Participation Letter is also in the name of the applicant.

“On April 18, 2023, BHE Renewables, LLC (BHER) (applicant), filed Applications for Certification (AFC) to construct and operate three geothermal electrical generating facilities, the Morton Bay Geothermal Project (MBGP) (23-AFC-01), the Elmore North Geothermal Project (ENGP) (23-AFC-02), and the Black Rock Geothermal Project (BRGP) (23-AFC-03), within approximately five miles of each other, at the Salton Sea Known Geothermal Resource Area.”

The following correctly identifies the applicant in the Agency Participation Letter.

On April 18, 2023, Morton Bay Geothermal, LLC (applicant), Elmore North Geothermal, LLC (applicant), and Black Rock Geothermal, LLC (applicant), indirect wholly owned subsidiaries of BHE Renewables, LLC, filed Applications for Certification (AFC) to construct and operate three geothermal electrical generating facilities, respectively, the Morton Bay Geothermal Project (MBGP) (23-AFC-01), the Elmore North Geothermal Project (ENGP) (23-AFC-02), and the Black Rock Geothermal Project (BRGP) (23-AFC-03), within approximately five miles of each other, at the Salton Sea Known Geothermal Resource Area.

The error in the Letter to Librarians is also in the name of the applicant.

“On April 18, 2023, BHE Renewables, LLC (BEHR), (applicant), filed Applications for Certification (AFC) with the California Energy Commission (CEC) to construct and operate the Morton Bay Geothermal Project, the Elmore North Geothermal Project, and the Black Rock Geothermal Project in unincorporated Imperial County at the Salton Sea Known Geothermal Resource Area.”

The following correctly identifies the applicant in the Letter to Librarians.

On April 18, 2023, Morton Bay Geothermal, LLC (applicant), Elmore North Geothermal, LLC (applicant), and Black Rock Geothermal, LLC (applicant), indirect wholly owned subsidiaries of BHE Renewables, LLC, filed Applications for Certification (AFC) with the California Energy Commission (CEC) to construct and operate, respectively, the Morton Bay Geothermal Project, the Elmore North Geothermal Project, and the Black Rock Geothermal Project in unincorporated Imperial County at the Salton Sea Known Geothermal Resource Area.

These minor changes in the description of the applicants do not alter or revise any of the other information in the NOR, Agency Participation Letter, or Letter to Librarians.
