**Subject: RE: Docket Number 22-SPPE-01: Bowers Backup Generating Facility DEIR**

Dear Ms. Crisp:

The City of Santa Clara has reviewed the subject Draft Environmental Impact Report (DEIR) and does not have any further comments to share. After the DEIR has been approved by California Energy Commission (CEC), City of Santa Clara in its role as the Responsible agency for the project will process the Planning entitlements for the construction and operation of the project. Following the approval of the project, the City will implement and enforce the Mitigation Monitoring and Reporting Program (MMRP), which has been developed in conjunction with the preparation of an EIR for the proposed project.

Sincerely,

Nimisha Agrawal  
Senior Planner  
City of Santa Clara
