OIR-2023-02 TN253019 does not comply with GOV 11341, 11348, and 20 CCR 1208.1(d) (3) (B)

TN253019\_20231107T113908\_Presentation of Amendments to Regulations Related to Business Meetings and .pptx does not include the unique number pursuant to GOV 11341, it was not timely pursuant to GOV 11348, and does not comply with 20 CCR 1208.1 because on the first page does not include the Docket number of proceeding.

These items are important because the hearing where it was presented allowed attendance by telephone only, and when the document is retrieved or provided outside of the docket log it can't be ensured that it is a record for a particular proceeding.

All of these issues can be corrected in the future by producing proper written procedures for the Energy Commission's rulemaking process.

For 20 CCR 1208.1(d) (3) (B) see:
