Re: El Segundo Generating Station
Notice of Change in Long-Term Status of Generating Units

Dear Mr. Sullivan,

El Segundo Power LLC ("NRG") owns and operates the existing El Segundo Generating Station Unit 4 in El Segundo, California. NRG hereby provides notice, pursuant to California Public Utilities Commission ("Commission") General Order 167, Operating Standard 23, that NRG intends to shut down and retire Unit 4 as of December 31, 2015 in accordance with the State Water Resource Control Board's policy on once through cooling, and the associated deadline for compliance applicable to Unit 4.

A copy of this notice is also being provided to the CAISO in accordance with General Order 167.

Should you have any questions regarding this notice, please do not hesitate to contact me at (415) 627-1650.

Very truly yours,

John Chillemi
President
El Segundo Power LLC

cc (via certified mail, return receipt requested):
Roger Collanton, General Counsel, California Independent System Operator
Elizaveta Malashenko, Director, Safety and Enforcement Division, California Public Utilities Commission

VERIFICATION

I, the undersigned, say:

I am an officer of El Segundo Power LLC, a Delaware limited liability company. I have read the foregoing notice, and I am informed and believe that the matters stated therein concerning the planned retirement of the Unit (as defined above) are true.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on September 21, 2015, at San Francisco, California.

John Chillemi
President
El Segundo Power LLC
