Bring good paying jobs to the Shasta County region

I am a Skilled and Trained worker in Shasta County, and I support the Fountain Wind Project because it will create hundreds of long-term, construction jobs for workers like me. As a result, I will no longer have to travel hundreds of miles away from home and to places like the Bay Area for work. This means my income and tax dollars can benefit our local area and I can spend more time with my family and within my own community.
