## **No on Fountain Wind**

Hello, my name is Connor. (I am a member of the Illmawi Band of the Pit River Nation, and) I'd like to voice my opposition for the Fountain Wind Project. I oppose this project due to the impacts it has on us, our land, our waterways, our relatives, and our sovereignty as an Indigenous nation. Whether it's the elimination of endangered species, such as eagles and bats, or the destruction of Indigenous lands and waterways. As an entity residing on stolen land, that continues to benefit from the colonization of Pit River people, amongst all other tribes throughout the state, it is the responsibility of the State to deny the Fountain Wind Project's application. Thank you.
