Use the Zoom Q&A feature and type in your question(s) or click the thumbs up icon on a question already submitted by someone else if it addresses yours as well. There may not be time to address all questions raised. Anyone using the "raised hand" feature in Zoom will be called upon for public comment at the end of the day. Those with hands raised will not be called upon during the dedicated Q&A time.

Public Comments

Closing Remarks and Adjourn

***Note:** While the hourly and peak demand forecast components of the 2023 California Energy Demand Forecast were planned to be presented at this workshop, those results are not yet available. Another workshop will be scheduled to present the hourly, including peak, results. We regret any inconvenience this may cause and appreciate your patience.
