**RPS-2021-01 Other Pre-June 2010 RECs, please identify regulatory authority**

RPS-2021-01 Other Pre-June 2010 RECs, please identify regulatory authority

Pursuant to TN249096 Verification and Compliance Methodology Report, 3rd Edition (Updated March 2023), "Other Pre-June 2010 RECs", are electricity products procured under contracts or ownership agreements executed before June 1, 2010, from a facility that did not meet the requirements to be RPS-certified according to the RPS Eligibility Guidebook in place at the time the contract or ownership agreement was executed are still classified into the portfolio content categories but are not included in the calculation of the portfolio balance requirements. Electricity products qualifying as either pre-June 1, 2010, PCC 1 or pre-June 1, 2010 PCC 3 are classified as either PCC 1 or PCC 3 when retired in WREGIS and are labeled during verification as "pre-June 2010" based on the associated contract or ownership agreement execution date.

Please identify regulatory authority for electricity products procured under contracts or ownership agreements executed before June 1, 2010, from a facility that did not meet the requirements to be RPS-certified, and are still classified into the portfolio content categories but are not included in the calculation of the portfolio balance requirements.
