Hi Wenjun,

I believe my air lead, Andrew Dunavent, is ready to upload the modeling files. If you could please send him (copied on this email) the Kiteworks request, that would be appreciated.

Thanks,
Jerry

Mr. Salamy,

Thank you for sending the files. Could you also send the modeling files? Please let me know if you would like me to send request for file from our secure file transfer system, Kiteworks.

Thanks.

Wenjun

Hi Wenjun,

Attached are the Black Rock Geothermal Project air quality/public health spreadsheets with the air and public health track changes you requested. The spreadsheets will be docketed later today.

Thanks,
Jerry

Mr. Salamy,

Yesterday we received the supplemental data responses to set 1 for the geothermal projects (Morton Bay, Elmore North, and Black Rock). Could you send us the modeling files and the Excel spreadsheet files associated with the data responses? Also, we were not able to find the track changes in the docketed documents. Could you send or re-docket the version with track changes so that it would be easier for us to review what has changed?

Thanks.
