Workgroup #1 to Discuss the SB 114 Grants for Zero-Emission School Buses and Infrastructure

December 5, 2023, 9:00 – 10:00 AM
1 hour

In this recording, the California Energy Commission (CEC) and the California Air Resources Board (CARB) hosted the first public work group meeting to discuss funding for zero-emission school buses and infrastructure that was made available by Senate Bill (SB) 114 (Committee on Budget and Fiscal Review, Chapter 48, Statutes of 2023). The CEC and CARB have named this appropriation the "Zero Emission School Bus and Infrastructure" (ZESBI) grants. Staff discussed available funding, program priorities, proposed award timeline, and how to stay informed on future ZESBI developments.
