# ATTACHMENT 01 CERI Application Form

This form provides the California Energy Commission (CEC) and the U.S. Department of Energy (DOE) with basic information about the applicant and the project. Each applicant must complete and submit as a .pdf. The CEC has attempted to streamline this solicitation package to reduce redundancy wherever possible, though there are areas where information may be asked for twice to satisfy requirements of both agencies.

*Instructions for completing this Attachment appear in blue. Read the instructions before completing each section. Delete the instructions after completing each section.*
