Re: **El Segundo Energy Center Petition to Amend (00-AFC-14C)
Termination Notice**

Dear Committee Members:

El Segundo Energy Center LLC (“Project Owner”), owner of the El Segundo Energy Center (00-AFC-14C) (“ESEC”), hereby submits this termination notice for the suspended ESEC Petition to Amend (“PTA”) for proposed units 9-12. Project Owner requested to suspend the processing of the PTA on February 18, 2016; the suspension was granted by the PTA Committee on March 8, 2016. Since the suspension, Project Owner has closely evaluated a number of factors that led to the suspension and have concluded that the best course of action is to terminate the PTA because of contractual obligations and a lack of near-term need for the Project which make it problematic for them to continue with this PTA.

Project Owner continues to operate ESEC in compliance with the ESEC Final Decision as amended. CEC staff has supported Project Owner with the ongoing implementation of the ESEC Conditions of Certification, and we look forward to continued open and cooperative communications with CEC Staff regarding the facility.

Project Owner is also deeply appreciative of the efforts of the CEC to consider and process the PTA and thanks the individuals who worked tirelessly to prepare analysis and proposed decisions.

Very Truly Yours,

A handwritten signature in black ink that reads 'John McKinsey'.
