- State your name and affiliation at beginning of your comment

Agenda

1. Overview of Proposed Amendments
2. Rulemaking Timeline
3. Public Comments

Rulemaking Overview

- The purpose of this rulemaking is to provide federal alignment and administrative updates to Title 20, CCR sections 1601-1609.
- This rulemaking is not proposing any new efficiency standards for appliances, nor increases in stringency for existing standards

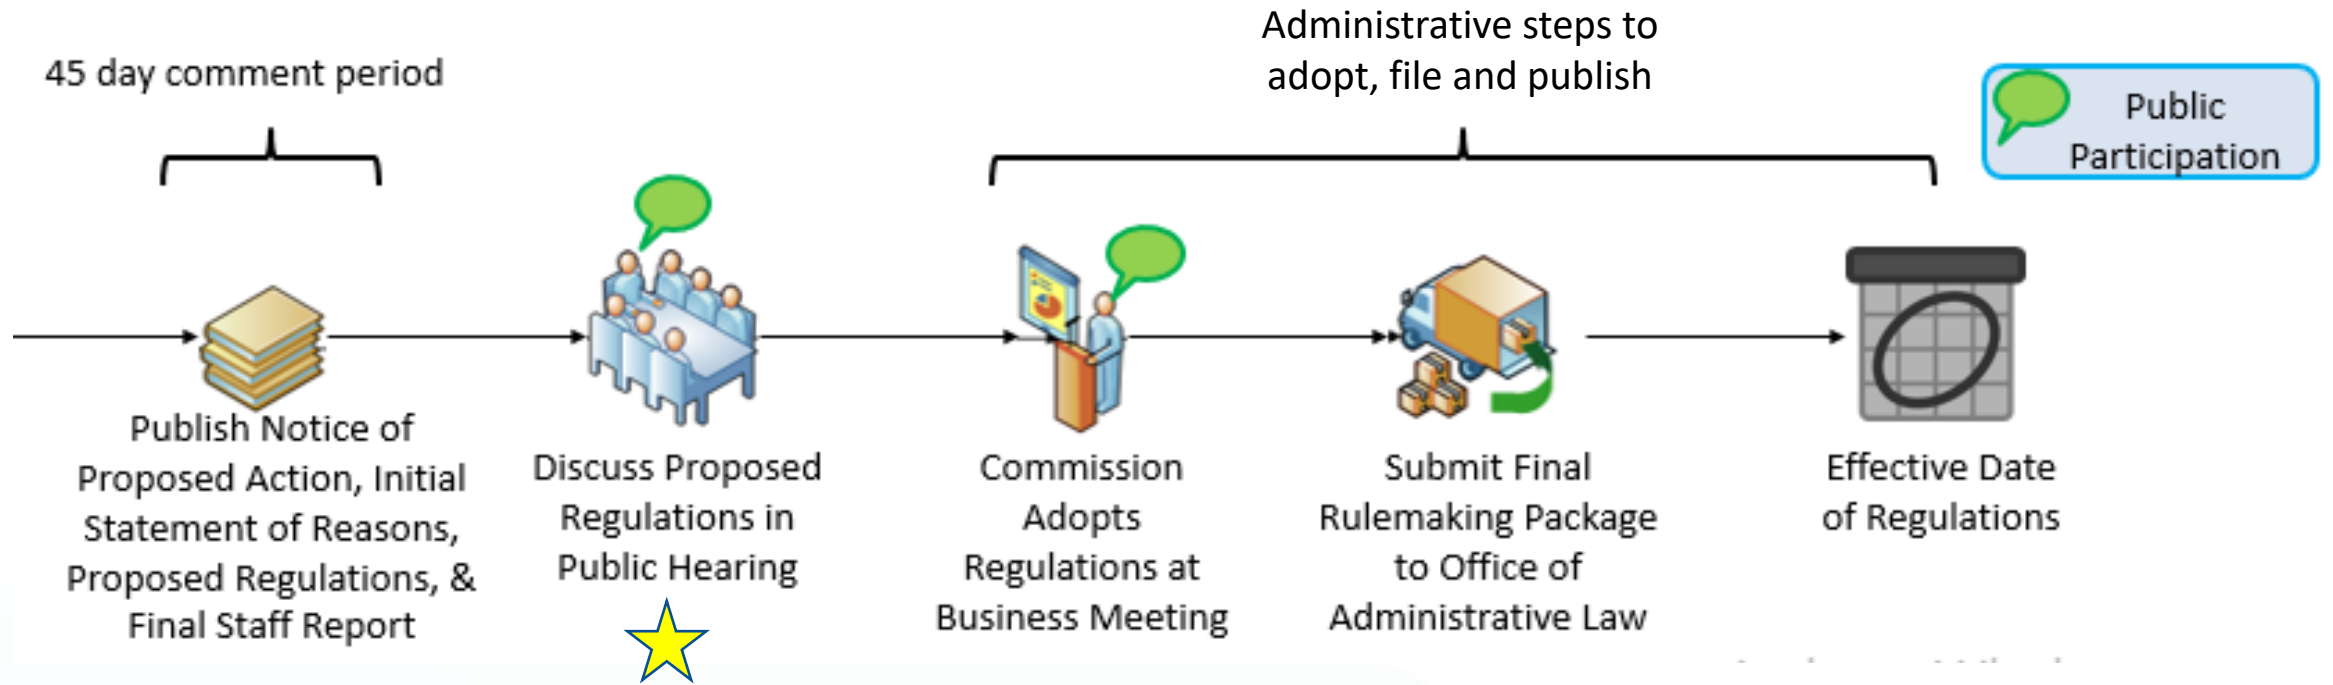

Proposed changes

- Updates to align with current federal law
- Updates to data submittal requirements and processes
- Removal of a redundant aspect of the marking requirement for commercial and industrial fans and blowers
- Updates and streamlining to CEC's product compliance review, enforcement, and administrative proceedings
- Other administrative and non-substantive changes for clarity and consistency

Rulemaking Timeline

- 45-Day comment period ended January 8, 2024
- CEC Business Meeting – March 13, 2024 (tentative)
