COMMUNITIES IN CHARGE

Funding Wave 3

'How to Apply' Webinar Part 1

The Communities in Charge Project team is thrilled to invite you to the
'How to Apply' public webinar!

Communities in Charge is California's market-accelerating, light-duty electric vehicle (EV) charging incentive project funded by the California Energy Commission's Clean Transportation Program, implemented by CALSTART, and supported in partnership with GRID Alternatives and Tetra Tech. Communities in Charge is designed to transform EV accessibility, rapidly catalyze new markets, and swiftly deploy Level 2 EV charging stations.

During the webinar we will cover the following topics:

- An introduction to Communities in Charge
- Incentive project outline
- Funding amounts and timelines
- How to submit information and request funding
- How to stay connected with Communities in Charge.

The Communities in Charge team looks forward to your meaningful and important participation. Any logistical questions can be sent to communitiesincharge@calstart.org and the focus group details are as follows:

The Webinar will take place on:

April 24th, 2024

10:00 AM – 12:00 PM

Registration is required, please register [here](#).
