## **Provide definition for Coating and Re-Coat**

Current code does not make a distinction between new coating and re-coat.

Need to make a definitive distinction between the two.

Currently municipalities are allowing contractors to simply coat anything and everything. [Existing roofs of a nonresidential or hotel/motel building being replaced, recovered or recoated, as defined in Section 100.1(b) and Title 24, Part 2, Chapter 2, shall meet the requirements of Section 110.8(i). Roofs with more than 50 percent of the roof area or more than 2,000 square feet of roof]
