Transmission Forms and Instructions (T-1)

- The CEC is compiling statewide information on transmission projects 30 kV and larger for the 2025 IEPR
- Form T-1 is informed by the data template for the CPUC's Transmission Project Review Process and CPUC Resolution E-5252
- There will be information (columns) in Form T-1 that do not apply to every project or transmission owner
- Please submit the form in MS Excel
- For questions before 6/3 please contact Sean Simon at sean.simon@energy.ca.gov, after 6/3 please contact Mark Hesters at mark.hesters@energy.ca.gov

Changes for 2024

- Reports received every year
- Inclusion of the Transmission Form (T-1)
- Expansion of technology subtypes list
- Inclusion of Queue Number
- Instruction Clarification:
 - Adjustable Planning Reserve Margin (PRM)
 - Energy Service Provider ~ Direct Energy Providers
 - Long-term system power contracts
 - Net Qualifying Capacity (NQC of contracted amount)

Changes for 2024 (continued)

- Instruction Clarification (continued):
 - “Expended” unbundled RECs same as “retired”
 - Resources used during non-peak hours that contribute to yearly generation (GWh)
 - Addendum Monthly – put net capacity and net energy after sales taken into account. List all resources
 - Omit contracts that are expired prior to January 1, 2024

Next Steps
