FRAMEWORK

## **Notice of Availability and Request for Comments on the 2024 Update to the Disadvantaged Communities Advisory Group Equity Framework**

**Comment Deadline: June 21, 2024**

### **Introduction and Background**

Pursuant to Senate Bill (SB) 350, Clean Energy and Pollution Reduction Act of 2015 (De León, Chapter 547, Statutes of 2015), the California Energy Commission (CEC) and the California Public Utilities Commission (CPUC) have established the Disadvantaged Communities Advisory Group (DACAG). The charter and appointment information for the DACAG can be found at <https://www.energy.ca.gov/sb350/DACAG>. The DACAG advises the two Commissions on the effectiveness of clean energy programs related to SB 350 in disadvantaged communities.

The DACAG adopted an Equity Framework on September 28, 2018, as guidance for discussing and commenting on proceedings and programs before the CPUC and CEC. The DACAG is updating the DACAG Equity Framework and is seeking public comment on the proposed updates to the DACAG Equity Framework (2024 Update).
