RE: Submission of RPU 2023 IRP Document and CEC Standardized Reporting Tables

Dear CEC IRP Staff,

On behalf of the City of Riverside, Riverside Public Utilities (RPU) hereby submits its 2023 Integrated Resource Plan (2023 IRP) and corresponding Standardized Reporting Tables to CEC Docket 18-IRP-01 in satisfaction of SB 350 IRP reporting requirements.

Riverside's 2023 IRP was unanimously approved by our Board of Public Utilities on April 8, 2024, by our City Council Mobility & Infrastructure Subcommittee on May 9, 2024, and by our full City Council on June 11, 2024. Evidence for these official actions can be found in the posted minutes for these respective city government meetings at:

<https://www.riversideca.gov/cityclerk/government-meetings>

Additional information concerning our IRP and associated community workshops can be found here:

<https://riversideca.gov/utilities/residents/our-energy/power-resources>

Finally, RPU staff believe that this 2023 IRP is fully responsive to all CEC IRP requirements and regulations. Please note that Chapter 19, section 19.8 identifies for CEC staff where specific narratives and information pertaining to SB 350 IRP requirements can be found in our 2023 IRP, following the CEC's POU IRP Checklist guidelines.

Sincerely,

Dr. Scott M. Lesch
Assistant General Manager – Power Resources
Riverside Public Utilities
