## **Lithium battery facility in San Juan Capistrano**

Iâ€™m writing in regard to the lithium battery facility proposal in the saddleback church area of San Juan Capistrano and below my community Concord Hill in Laguna Niguel. This area is already a huge fire risk, there have been several fires including a very big one right below the hill that was a huge danger to our homes. A battery facility would be a wrong decision for this space. Please accept this comment as my ask to not build a facility in this space. Everyone in our community is highly against this.

Thank you for your attention to this matter
