## CALIFORNIA ENERGY COMMISSION

The CERRI Program has released the templates for the Workforce Development Plan and the Community Engagement, Benefits, and Impacts Plan. These templates outline the requirements and best practices for creating meaningful community engagement, delivering community benefits, and ensuring successful workforce development.

All applicants are encouraged to review these templates thoroughly, as completion of both plans is mandatory for all grant recipients, as specified in the Scope of Work (Attachment 03). The templates can be accessed on the [CERRI website](#) under the “Resources” dropdown menu.

Should you have any questions or require further clarification on any aspect of the templates, please contact the CERRI Program Team at [CERRI@energy.ca.gov](mailto:CERRI@energy.ca.gov).
