Re: Repeated Application of Calpine PowerAmerica-CA, LLC for Confidential Designation of Information Contained in the Annual Report to the California Energy Commission: Power Source Disclosure Program for Year Ending 12/31/2023

Dear Mr. Bohan:

Calpine PowerAmerica – CA, LLC (“CPA”) requests that certain information included as part of its 2023 Power Source Disclosure Report (“PSD Report”), submitted on July 29, 2024, to the California Energy Commission (“CEC”), be designated confidential pursuant to Title 20 Cal. Code. Regs. § 2505(a)(4).

In support of this repeated application for confidentiality designation, the CEC has previously designated CPA’s 2022 PSD Report as confidential, on June 26, 2023, in Docket 23-PSDP-01, transaction number 250750. CPA’s 2023 PSD Report and the data contained therein is substantially similar to its 2022 PSD Report and the facts and circumstances warranting confidential treatment have not changed.

I, Jason Armenta, certify under penalty of perjury that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge and that I am authorized to make the application and certification.

Sincerely,

Jason Armenta
