Comments Re - Offshore Wind

(The Nor Rel Muk Wintu Nation leadership is CCed in this correspondence.)

The Nor Rel Muk Wintu Nation (NRMWN) is preparing to be the cultural monitors for potential transmission work that will cross our aboriginal territory (both suspected northern routes of transmission will cross NRMWN aboriginal territory). The NRMWN with your advocacy is looking to assist rural Trinity County in Micro Grid development. The Nor Rel Muk Wintu Nation is looking for Co-Ownership of the transmission lines through our aboriginal territory.
