NO TO THE SOUTH ORANGE COUNTY BATTERY FARM PROJECT

I sent this to the Energy commission, as well as 3 pastors at Saddleback Church.

"I don't think anyone needs a PhD to know the extreme danger & risk you are putting the taxpaying citizens and your local congregants of South Orange County in.

There is MORE than enough empty space OUTSIDE the borders of Orange County that this "farm" could be placed, instead of PUTTING PEOPLE & ANIMALS LIVES at risk, as well as RUINING the beauty of the scenery with HUGE, UGLY CONTAINERS!

Why would a church knowingly sell land to buyers who will put people's lives in danger? Is money more important than humanity? AT BEST, this should be NO WHERE near residential homes. There should be no amount of money that outweighs the safety of the people or animals!

I should also ask: WHAT KIND OF WITNESS OF "JESUS LOVING PEOPLE" IS THIS TO THE COMMUNITY? This is something I've been hearing from non-believers as well!

It's NOT TOO LATE to retract the offer & STOP THIS INSANE TRANSACTION. There will be future, unforeseen consequences to this choice."

THIS NEEDS TO BE PUT OUTSIDE THE BOUNDARIES OF ORANGE COUNTY - NO ONE WANTS IT HERE. THERE IS PLENTY OF OPEN SPACE, WHERE NO PEOPLE ARE LIVING & WANT THEIR QUALITY OF LIFE UNAFFECTED BY A POTENTIAL DISASTER... WHERE HAS COMMON SENSE GONE?
