## **Sale of Rancho Capistrano by Saddleback Church**

I have lived near the area of Rancho Capistrano for almost 6 decades. It is a beautiful property that enriches our communities. Most people I know who live here DO NOT want a lithium battery factory built in or near our community because it is dangerous to our health. In addition it would destroy an amazing property. Please do not allow this sale to take place. We do not want a lithium battery factory in our community.
