Re: Repeated Application for Confidentiality/Energy Efficiency Program Data Collection

Dear California Energy Commission:

On behalf of FortiFi Financial, Inc., ("FortiFi") I submit a Repeated Application for Confidentiality (20 CCR 2505 (a)(4)) for FortiFi's Energy Efficiency Program Data Collection submission (Docket Number 22-Data-01) ("Data Report").

By letter dated February 24, 2023 from Drew Bohan, Executive Director of CEC, to Kevin Davis, FortiFi's COO, the CEC previously found FortiFi's Data Report confidential. Specifically, the Executive Director granted confidentiality for the home address and assessor's parcel number portion of the information submitted in the Data Report "indefinitely."

The data being submitted concurrently herewith is substantially similar to the records previously designated as confidential, and the facts and circumstances have not changed.

Please let me know if you need any additional information to make the confidentiality determination.

Best regards,

A handwritten signature in blue ink that reads "Wrenn Chais". The signature is fluid and cursive, with the first name "Wrenn" and last name "Chais" clearly distinguishable.
