Opposition to Corby Battery Energy Storage System Project

To Whom it may Concern:

I have just been informed of a proposed Battery Energy Storage System (BESS) proposed for the corner of Byrnes Road and Kilkenny Road. This is the first my husband and I have heard of this proposal. We have not been contacted by any entity including Corby Energy Storage/Next ERA to inform us of their intentions, or ask our opinion. We feel as though this company is hiding from public opinion by going around normal channels and using AB205 to try to slip in and get approval, before the property owners know what has happened. We feel that this would definitely reduce our property values and most likely effect our health.

WE STRONGLY OPPOSE this proposal!

Jeff and Robin Jaeckel, Property Owners on Willow Rd. Vacaville, Ca
