**Application for Confidential Designation for Sacramento Municipal Utility District
2024 IEPR Supply Forms**

Docket No. 24-IEPR-02

Dear Marissa O'Connor:

The California Energy Commission (CEC) has received an application for confidentiality from Sacramento Municipal Utility District (applicant) (TN 259999), docketed November 13, 2024, for select portions of the following power supply data:

- Confidential MCE 2025 Electricity Resource Planning Forms

The applicant seeks confidentiality of certain portions of the information submitted in the data sets, specifically:

- Excel sheet titled "Form S-2_SUPPLY": Columns C through AM, Rows 40, 43, 45, and 54.
- Excel sheet titled "Form S-5 Table": Columns C through K, Rows 14, 20, 21, and 28

The applicant requests that the highlighted portions of the data be designated confidential by the CEC for two years after the expiration date of each contract (which dates are set forth in Column H in form S-5), under California Code of Regulations, title 20, section 2505(b).

Under California Code of Regulations, title 20, section 2505(b), the CEC shall designate the requested information confidential when the applicant seeks confidentiality as a federal, state, regional, or local agency or state-created private entity, which possesses information pertinent to the responsibilities of the CEC, that has been designated by the applicant as confidential under the Public Records Act, or the Freedom of Information Act.

Here, the applicant is a local agency, has itself designated that the data is confidential under the Public Records Act, and the information submitted is pertinent to the responsibilities of the CEC. Therefore, the CEC designates the above-described information as confidential for two years after the expiration date of each contract. Data may be disclosed if aggregated with data from other load serving entities.

The procedures and criteria for disclosing or releasing, filing, reviewing, and acting upon such petitions or motions are set forth in the California Code of Regulations, title 20, sections 2506 through 2508.
