The California Energy Commission (CEC) has received an application for confidentiality from Clean Energy Alliance (applicant) (TN 260074), docketed November 15, 2024, for select portions of the following power supply data:

- CEA Supply Forms Confidential

The applicant seeks confidentiality of certain portions of the information submitted in the data sets, specifically:

- Form S-1_REQUIREMENT: Columns I-R, Rows 11, 19, 20, 21, 22, 25.
- Form S-2_SUPPLY: Rows 32-171, Columns Q-Z; Rows 59-171, Columns AD-AM; Rows 178-180 Columns Q-Z and AD-AM.
- Form S-2A_Addendum Monthly: Columns G-DV, Rows 10-52.
- S-5 Table: Column I.

The applicant requests that the highlighted portions of the data be designated confidential by the CEC for a period of three years, under California Code of Regulations, title 20, section 2505(b).

Under California Code of Regulations, title 20, section 2505(b), the CEC shall designate the requested information confidential when the applicant seeks confidentiality as a federal, state, regional, or local agency or state-created private entity, which possesses information pertinent to the responsibilities of the CEC, that has been designated by the applicant as confidential under the Public Records Act, or the Freedom of Information Act.

Here, the applicant is a local agency, has itself designated that the data is confidential under the Public Records Act, and the information submitted is pertinent to the responsibilities of the CEC. Therefore, the CEC designates the above-described information as confidential a period of three years. Data may be disclosed if aggregated with data from other load serving entities.
