Email to: EPS@energy.ca.us

California Energy Commission
EPS Compliance
1516 Ninth Street
Sacramento, CA 95814-512
Attention: Michael Nyberg

To whom it may concern:

This communication is to inform you that the Modesto Irrigation District (MID) entered a contract for renewable energy on December 26, 2024. The specifics of the contract are as follows:

Name of Counterparty:	Woodland Biomass Power, LLC
Name of Facility:	Woodland Biomass Power
Location of Facility:	1786 E. Kentucky Ave, Woodland, CA 95776
Technology/Fuel:	Biomass
RPS ID:	60095
Nameplate Capacity:	31.45 Megawatts (initial operational- 28 Megawatts)
Contract Capacity:	25 Megawatts
Product Description:	As-available energy not to exceed contract capacity at any time.
Substitute Energy Allowed (Yes/No):	No. Contract prohibits seller from procuring energy from other sources for delivery to buyer.
Term:	6 years
Delivery Start Date:	September 1, 2026
Delivery End Date:	August 30, 2032

MID is requesting that the Commission find that this contract compliant with the greenhouse gas emission performance standard set forth in Chapter 11 of Title 20 of the California Code of Regulations. Specifically, MID asserts herein that the facility under contract is compliant pursuant to Section 2903 (b) of the regulations.

On behalf of MID's Board of Directors I make the following attestations:

1. I am authorized by the MID Board of Directors to file this compliance filing and make the attestations herein on behalf of the Board.
2. The MID Board of Directors has reviewed and approved in a noticed public meeting the contract with Woodland Biomass Power, LLC described above and this compliance filing.
3. Based on the MID Board of Director's knowledge, information or belief, this compliance filing does not contain a material misstatement or omission of fact.
4. Based on the MID Board of Director's knowledge, information or belief, the contract complied with the Emission Performance Standard Regulations.

Sincerely,

Jimi Netniss
General Manager
Modesto Irrigation District
