Infrastructure Plan*

DOCKET NO. 24-TRAN-03

NOTICE OF REMOTE-ACCESS  
WORKSHOP

RE: Staff Workshop on the Draft Zero-  
Emission Vehicle Infrastructure Plan

## **Notice of Availability, Request for Comments, and Staff Workshop on the Draft 2024 Zero-Emission Vehicle Infrastructure Plan**

**January 29, 2025**

9:00 a.m. – 12:00 p.m.

Remote Access Only

See Attendance Instructions.

The California Energy Commission (CEC) will host a remote-access workshop to present and gather feedback on the Draft 2024 Zero-Emission Vehicle (ZEV) Infrastructure Plan (ZIP).

The public can participate in the workshop consistent with the attendance instructions below. The CEC aims to begin promptly at the start time posted and the end time is an estimate based on the proposed agenda. The workshop may end sooner or later than the posted end time.

### **Agenda**

The workshop will include a staff presentation of the Draft 2024 ZIP report followed by a question and comment period with the public. The [Draft 2024 ZIP](https://www.energy.ca.gov/publications/2025/2024-zero-emission-vehicle-infrastructure-plan-deployment-strategy-2025-2030) can be accessed on the Publications page of the CEC website, <https://www.energy.ca.gov/publications/2025/2024-zero-emission-vehicle-infrastructure-plan-deployment-strategy-2025-2030>. The preliminary agenda is as follows:

- 1) Introduction
- 2) Staff overview of the Draft 2024 ZIP
- 3) Public comment
- 4) Next Steps

### **Background**

On September 23, 2020, Governor Gavin Newsom signed Executive Order N-79-20, setting a 100 percent ZEV target for new passenger vehicle sales by 2035 and 100 percent ZEV operations target for medium- and heavy-duty vehicles in the state by 2045. Many state agencies and efforts are underway to support this goal.

The first ZIP, released in December 2022, described the state's short- and long-term actions to ensure ZEV infrastructure deployments will meet the needs of the growing ZEV market. The Draft 2024 ZIP proposes a funding deployment plan to meet the goals of the light-duty passenger vehicle market and medium- and heavy-duty truck and bus market. CEC is seeking feedback from the public on the Draft 2024 ZIP.
