## **OPPOSITION TO LITHIUM BATTERY STORAGE FACILITY**

I strongly oppose the proposed location of the battery storage facility!! I live in a fire and flood zone and in light of the recent fires at battery storage facilities I am more nervous than ever!! We should not be subjected to the heightened risk of one of these facilities in our back yard that puts our lives and our environment at risk for years to come! Plus, being able to sustain home insurance is already an issue where I live and this will only complicate that further.....NO LITHIUM BATTERY STORAGE IN OUR BACK YARDS!
