## **OPPOSITION TO BESS**

As a 25 year resident of Laguna Niguel, I am extremely opposed to the construction of the LITHIUM ENERGY STORAGE SYSTEMS. These facilities are fire hazards that can emit toxic fumes potentially jeopardizing air quality and public health. The facility is also a potential groundwater contamination site. Most disturbing is the proximity to schools, neighborhoods, and wildlife habitats, potentially endangering families and ecosystems. I stand in strong opposition with this project and will fight along with my fellow citizens to prevent its construction.

Thank you.
