Transit Talks: Unlock Funding Before It's Gone

Don't miss out on this opportunity to learn how to maximize your transit agency's funding potential through state and federal programs. Join CALSTART, Inc. for an in-depth exploration of two game-changing programs that will accelerate your journey to zero-emission operations:

- California Energy Commission's EnergIIZE Commercial Vehicles Transit Set-Aside: Discover how to tap into this \$15 million reimbursement opportunity for ZEV charging infrastructure.
- California Air Protection Board's HVIP Transit Set-Aside: This program is still open for new voucher requests! Learn how to secure funds for transit bus purchases and leverage them as match funding for other programs.

Our experts will guide you through:

- Streamlined application processes for each program
- Strategies to combine funding sources for maximum impact

Reserve your seat today for this webinar on February 19, 2025 to take the next step in transforming your fleet and achieving your zero-emission goals.

[Register Now](#) to attend this workshop, which will provide an overview of available transit funding for zero-emission vehicles and infrastructure.

Webinar - Transit Talks: Unlock Funding Before It's Gone

February 19, 2025 (Wednesday)

1 PM – 2 PM PST

EnergIIZE Commercial Vehicles is an up to \$276 million project funded by the California Energy Commission and administered by CALSTART, Inc. that provides infrastructure incentives for public and private fleets, owner/operators, school bus fleets and transit agencies that wish to deploy battery electric or hydrogen fuel cell vehicle technology. Visit <https://energiize.org/> for more information and to see recordings of past EnergIIZE Commercial Vehicle workshops.
