## **Not Green, not safe, not fair**

I am opposed to the development of the Fountain Wind project in Shasta County.

- 1) It unfairly overrides local property rights. Shasta County has voted against it.
- 2) Wind power is not reliable, efficient, or green.
- 3) Our local county government is concerned on the impact to tribal lands and both tribal bodies in our county are opposed to the project.

Please do not allow the Fountain Wind project to proceed or to be approved.

Respectfully yours,  
Gary Peyrot, Shasta County Resident
