**Application for Confidential Designation for San Francisco Public Utilities

Docket No. 24-IEPR-02**

Dear Grace Kay:

The California Energy Commission (CEC) has received an application for confidentiality from San Francisco Public Utilities Commission (applicant) (TN 261788), docketed February 14, 2025, for select portions of the following power supply data:

- Form T-1: Columns C:I, L, S:T, AB, AK, BD:BF, and BL

The applicant requests that the highlighted portions of the data be designated confidential by the CEC for three years, until December 31, 2027, under California Code of Regulations 2505(b).

Under section 2505(b), the CEC shall designate the requested information confidential when the applicant seeks confidentiality as a federal, state, regional, or local agency or state-created private entity, which possesses information pertinent to the responsibilities of the CEC, that has been designated by applicant as confidential under the Public Records Act, or the Freedom of Information Act.

Here, the applicant is a local agency, has itself designated that the data is confidential under the Public Records Act, and the information submitted is pertinent to the responsibilities of the CEC. Therefore, the CEC designates the above-described information as confidential for three years, until December 31, 2027. Data may be disclosed if aggregated with data from other load serving entities.

Be advised that persons may petition to inspect or copy records that have been designated as confidential, the executive director may disclose, or release records previously designated as confidential in certain circumstances, and the CEC may hold a hearing to determine the confidentiality of its records on its own motion or on a motion by CEC staff.
