## **This must stop**

I am asking you to stand up and help the Indigenous people. We have taken, we have killed. We have tried control now. That's time to protect be their brothers and sisters stand together, not a part.

They are lands, which for some reason the government thinks that they can take. It does not belong to us, it belongs to them. Respect must be shown we owe them that much don't you think. It is finally time that would show some respect, not disrespect again.
